Club Dues and Payment Agreement 2011-2012

Congratulations on being selected to play for the Rochester Soccer Club (hereafter, referred to as the 'RSC') for the 2011-2012 seasonal year. Your skills and hard work have earned you a roster spot in one of Michigan's Premier Soccer Clubs. As part of the registration process, we want to ensure that you are fully aware and understand the commitments the RSC make to you, and what your obligations are as a result in your accepting the position offered to you.

Purpose of document: A team has financial and playing obligations -- losing a player and family means others have to carry extra weight. Your team is asking you to make and keep the commitment for your share with this agreement.

We fully understand and consent to the following terms and conditions hereby laid out in this document with regards to the RSC costs. These costs are outlined and estimated on the team information form attached (hereafter, referred to as the 'costs') given to me by the RSC at tryouts and at our team information meeting.

1. Although it is our intent to honor the commitment to play with the RSC for the entire FULL seasonal year (Fall, Winter and Spring June 18th 2011 – June 17th 2012), excluding half year teams, we understand that accepting the position offered and completing the registration documents obligates me to pay all club and team dues, regardless of whether we later decide to leave the RSC prior to the end of the seasonal year.
2. We understand that our commitment to play is with a specific RSC team. We understand that the RSC oversees all coaching assignments and that all coaching assignments/changes are at the sole discretion of the RSC.
3. Should the said player wish to be released (other than for a season ending injury or a move out of state) or to transfer to another club prior to the end of the FULL seasonal year, the player/parents will be required to pay all financial obligations as laid out in the costs. While no release will be granted to player until he/she and/or his/her family have met their financial obligations to the RSC, the release of player once financial obligations have been 'met' does not terminate the financial obligations of player and his family as set out herein unless otherwise agreed to in writing.
4. If due to unexpected hardship you are unable to meet the payment due date, you may contact the RSC office and discuss an alternative payment plan. Payments due under an alternative payment plan must be paid by the alternative due date or they are subject to the same actions as payments discussed under point #5 below.
5. In accordance with the terms laid out in this document, failure to pay the entire 2011-2012 RSC team costs by the applicable due dates (or alternative due dates from a payment plan which has been approved by the RSC office) may result in suspension of the player. The continued failure to pay the required dues for a period of thirty (30) days will result in automatic loss of standing with the RSC and said player/family will no longer be able to participate in any of the RSC programs or activities.

I/we understand the obligation my/our child's participation in the program.
